THE GROUNDED PROMISE

We will try where we can to keep suppliers local. We will strive to cut the distance from producer to plate, lowering our own carbon footprint and supporting local as much as possible.

MEET OUR BUTCHER

Manor Farm is based on the banks of the picturesque River Teign, a stone's throw from Shaldon. The 650 acre farm provides us with our West Country premier meat.

Andrew has a herd of Aberdeen Angus and Charolais cattle and uses pigs from surrounding farms to supply our bacon and sausages. Our customers like to know the provenance of their meat, and so by knowing our farmer we know the animals have been raised to the highest of standards.
